Avant-propos

Ce document a été préparé sur la base des spécifications les plus récentes à la date de publication. Sodikart se réserve toutefois le droit d'apporter des changements afin de maintenir sa politique d'amélioration continue de ses produits. Si des modifications ont été effectuées depuis, certaines différences peuvent exister entre le contenu des éclatés et le kart que vous possédez.

Le document s'applique à tous les modèles Sodikart et comprend des descriptions sur l'équipement tant de série qu'optionnel. Aussi, vous pourrez trouver dans cet éclaté des sections qui ne s'appliquent pas à votre modèle de kart. Les illustrations dans les différents éclatés sont utilisées pour décrire les principes d'assemblage. Elles ne sont pas censées représenter exactement le kart dans le détail.

En cas de problème ou pour toute question concernant votre kart, veuillez vous adresser à votre distributeur ou représentant local, ou bien à la société Sodikart.

Foreword

This document is based on the most recent specifications at the time of publication. Sodikart nevertheless reserves the right to apply changes in order to uphold its policy of continuous improvement of its products. If modifications have been made in the meantime, there may be certain differences between the content of the spare parts catalogues and the go-kart you own.

The document applies to all Sodikart models and includes descriptions and explanations concerning both the standard and optional equipment. This means that this spare parts catalogue might contain some sections that do not apply to your go-kart model. The illustrations in the spare parts catalogues are used to describe the principles of assembly. They are not intended to be an exact, detailed representation of the go-kart.

If you have problems or questions about your go-kart, please contact your local distributor or representative of Sodikart.
