	XXL 1/4	38	39.5	51.5	10	39

All dimensions are in centimeters

The seats highlighted in red text are made by our high quality manufacturing process

Please note:-

Dimension **A** is always taken from the place where the hard part of the hip bone contacts the seat and **not the narrowest point**. The narrow point does not reflect a dimension which is critical to fitting. The narrow point will vary from between 8 mm to 12 mm smaller than the critical dimension **A**.

Tillett Racing Seats, Styles Close, Sittingbourne
